Profile

I'm Hadia Tariq, a passionate developer specializing in React with a solid understanding of backend technologies like Node.js, Express, and MongoDB. I enjoy creating responsive, user-friendly interfaces with clean design and smooth functionality. My backend knowledge helps me collaborate effectively across the stack and build more complete, efficient web applications.

Professional Experience

sargodha, Pakistan

Web Development Intern

- **eRozgaar Program**
- Completed a 3-month internship focused on full-stack web development
- Gained hands-on knowledge in HTML, CSS, JavaScript, and WordPress
